

Everything DiSC Workplace®

Course Overview

Course Description

Everything DiSC Workplace® is a classroom training and personalized learning experience that can benefit every person in an organization – regardless of title or position, department or function – in building more productive and effective relationships at work. It teaches participants to understand themselves and others, while learning to appreciate the different priorities, preferences, and values each individual brings to the workplace.

With personalized insights and actionable strategies, participants learn how to adapt to the style of others, ultimately improving engagement, collaboration, and the overall quality of the workplace.

Course Objectives

Upon completion of this program, participants will be able to:

- Understand the DiSC® model and its impact on workplace productivity and relationships;

- Recognize their own DiSC® style, including the specific priorities that drive their workplace behaviors;
- Identify others' DiSC® styles, including the specific priorities that drive the workplace behaviors of individuals with different styles;
- Adapt their behaviors to better communicate with individuals with different styles and priorities;
- Adjust their behaviors to work more effectively with individuals with different styles and priorities; and
- Build stronger relationships individuals with different styles and priorities.

Key Topics Covered

This course explores the following in depth:

- The Two Behavioral Continua of the DiSC® Model
- The Four DiSC® Styles: Dominant, Influential, Steady, and Conscientious
- The Eight Priorities Associated with the Four DiSC® Styles
- Using the DiSC® Model to better communicate and work with others
- Using the DiSC® Model to build stronger workplace relationships with others
