

Everything DiSC® Work Of Leaders

Course Overview

Course Description

The Everything DiSC® Work of Leaders training combines the power of DiSC® with over three decades of research on leadership. The detailed personal profile will help leaders better craft a **Vision** through exploration, boldness, and testing assumptions; build **Alignment** through clarity, dialogue, and inspiration; and **Execute** their strategy through momentum, structure, and feedback. By attending this powerful and highly interactive session, participants will gain insights into *how* they lead others by raising their awareness about *who* they are as leaders.

Course Objectives

Upon completion of this program, participants will be able to:

- Understand the DiSC® Work of Leaders model and its relationship to leadership;
- Recognize their own DiSC® Work of Leaders style, including the specific priorities that drive their leadership behaviors;

- Apply the three behavioral drivers and six behavioral continua that help leaders craft their Visions, including how they individually approach each driver;
- Apply the three behavioral drivers and six behavioral continua that help leaders build Alignment, including how they individually approach each driver;
- Apply the three behavioral drivers and six behavioral continua that help leaders Execute their strategies, including how they individually approach each driver; and
- Create an action plan for improvement in those drivers and continua where they face challenges.

Key Topics Covered

This course explores the following in depth:

- The Four DiSC® Work of Leaders Styles: Dominant, Influential, Steady, and Conscientious
- The Eight Priorities Associated with the Four DiSC® Work of Leaders Styles
- The Three Behavioral Drivers and Six Behavioral Continua that support each critical step of the leadership process: crafting a Vision, building Alignment, and Executing their strategy
